// The Sport & SPA Resort A-ROSA Scharmützelsee sets new standards in terms of the dimensions and architecture of a golf course. On the 63 available fairways, you will be able to find plenty of challenges, breathtaking scenery and also the wonderful feeling of being with other people who feel the same way about playing on the first and only 5-star superior golf courses in Germany.

## GOLF AT THE SPORT & SPA RESORT A-ROSA SCHARMÜTZELSEE //

- ✦ The Resort has four courses of its own with a total of 63 holes and holds weekly tournaments:
- ✦ The legendary **NICK FALDO CHAMPIONSHIP COURSE**: nowhere it is more challenging to play golf in Germany. The dune like fairways and 135 deep, typically Scottish bunkers make the visually unique links course the most demanding one in Germany.
- ✦ The beautiful **ARNOLD PALMER COURSE**: a parkland golf course for connoisseurs. Extremely large greens, varied fairways, streams and old trees guarantee a combination of ambitious golfing with intensive enjoyment of the natural surroundings.
- ✦ The appealing **STAN EBY COURSE**: a genuine alternative. Not too long, not too difficult and therefore a real pleasure for players with a higher handicap too. With the best view of the spacious resort and the area around it.
- ✦ The public **JAKE MCEWAN 9-HOLE, PAR 3 SHORT COURSE**: golf flair for everyone. The 9-hole, Par 3 course is the ideal choice for beginners or for golfers without a handicap or golf club membership.
- ✦ Golf carts, trolleys, brand new high-quality rental clubs, 2 driving ranges, own pro shop and restaurant at the golf clubhouse.

## SELECTION OF PACKAGES //

- ✦ Discover the A-ROSA Way of Golf
- ✦ Golf Unlimited
- ✦ Special "7=6" Longstay Golf Package
